---

[1] This program was previously named MS in Information Technology; the program was renamed MS in Information Systems and Technology Management (MS-IS-TM) in October 2012.

[2] Completion counts include awards conferred between July 01 and June 30 of the given academic year.

[3] Enrollment data as of October 2012, consistent with university data submitted annually to the Integrated Post Secondary Education Data System (IPEDS) for the National Center for Education Statistics. Note that enrollments for undergraduate programs include learners in combined bachelor's/master's options.

[4] This specialization was renamed to just Project Management in 2009.
