My Saved Programs

At Capella.edu, explore our interactive tools to help you discover the program that best fits your professional goals. If you need help, please contact us – by phone, email or online chat – and we'll match you with an enrollment counselor who specializes in your area of study.

Calculate My Costs & Graduation Date

Tuition costs are based on many factors, such as number of transfer credits, courseload, military discounts, and employer or association tuition discounts. Your enrollment counselor can help you find ways to save time and money.

Meet My Enrollment Counselor

Connect with your enrollment counselor to discuss which program best fits your needs or answer other questions you have about Capella University. Your enrollment counselor has extensive and ongoing training in your field of study and will be by your side every step of the way.

Review Capella Accreditations

Learn more about Capella's accreditations at Capella.edu, and then see how they match up with recommendations for your industry. Accreditation ensures that an institution meets or exceeds standards for quality of faculty, curriculum, student services, and fiscal stability.

Review Admission Requirements

Admission requirements vary from program to program. For specific requirements, view your program(s) of interest at Capella.edu or connect with your enrollment counselor.

Assess My Readiness

Explore your readiness and find out more about online learning with our free online self-assessments. These simple assessments are designed to help determine your learning style, resources, tech abilities, and time management skills – then fill in any gaps with tips to improve your readiness.

Explore Online Learning

Earn your degree anywhere, anytime. To help answer questions about what online learning is really like at Capella, we recommend touring our course room and signing up for a free one-week mini course at Capella.edu. Your enrollment counselor can also connect you with a current student or faculty.

Apply for Admission

Visit Capella.edu to complete your online application in as little as 20 minutes. Your enrollment counselor is available every step of the way, and can assist you with transcript requests and financing. It generally takes less than 2 weeks to hear a decision about your application.
