

2023 CACREP Program/Learner Outcomes: PhD in COUNSELOR EDUCATION AND SUPERVISION

- 27 learners graduated from the Counselor Education and Supervision (CES) doctoral program in the 2022 – 2023 academic year.
- The current completion rate for learners from the PhD in CES doctoral program is 33%. Completion rate for the doctoral program is the percentage of those learners from the 2015-2016 and 2016-2017 cohorts (learners who register for a second course in the year specified) who finished their degree within 28 quarters. Out of 165 PhD in Counselor Education and Supervision learners who registered, 55 graduated within 28 quarters.
- Capella does not offer job placement assistance. Data for job placement were gathered from a survey distributed to alumni who graduated from Capella's CACREP-accredited programs in 2022. The response rate of less than 10 percent of PhD in CES alumni is not sufficient to draw meaningful conclusions.
