

Annual ABET Accredited Program Report Disclosures

Last Updated: July 2023

Capella's **Bachelor of Science in Information Technology** program is accredited by the Computing Accreditation Commission of ABET, <http://www.abet.org>. The FlexPath option is not included in this specialized accreditation.

Programs accredited by ABET must provide information to the public about annual student enrollment and graduation. The enrollment and graduation data below are specific to the ABET-accredited BS in IT program in the GuidedPath learning format at Capella University.

*Yearly Student Enrollment (unduplicated)								**Yearly Program Graduates							
2022		2021		2020		2019		2022		2021		2020		2019	
Full-time	Part-time	Full-time	Part-time	Full-time	Part-time	Full-time	Part-time	Full-time	Part-time	Full-time	Part-time	Full-time	Part-time	Full-time	Part-time
34	987	51	1115	70	1265	65	1401	29	94	27	93	27	94	29	94

*The number of unique students enrolled in the ABET-accredited Bachelor of Science in Information Technology program from January 1 through December 31, with each student counted only once even if they attended more than one term/session during the year.

**The number of students graduating from the ABET-accredited Bachelor of Science in Information Technology program from January 1 through December 31.
