

2023-2024 CACREP Program/Student Outcomes: MS in School Counseling

- MS in School Counseling (School Counseling) graduates have a 60% pass rate on the National Counselor Exam. Exam pass rates are based on reports from the National Board of Certified Counselors on statistics for self-reported Capella alumni taking the NCE exam in Fall 2023. Capella is notified of exam scores by the exam proctor only if the exam takers identify Capella as a recipient of their scores. Out of 5 School Counseling graduates that took the NCE exam, 3 passed.
- School Counseling graduates have a 92% pass rate on the Praxis Exam. Exam pass rates are based on reports from School Counseling students who have taken the Praxis exam in the 2023 – 2024 academic year. Out of 14 School Counseling graduates that took the Praxis exam, 13 passed.
- 158 students graduated from the School Counseling program in the 2023 – 2024 academic year.
- The current completion rate for students from the School Counseling program is 63%. Completion rate is the percentage of 2016-2017 and 2017-2018 cohorts (students who register for a second course in the year specified) who finished their degree within 24 quarters. Within this group, out of 627 School Counseling students, 401 graduated within 24 quarters.
- Capella does not offer job placement assistance. Data for job placement were gathered from a survey distributed to alumni who graduated from Capella's CACREP-accredited programs in 2023. The response rate of less than 10 percent of School Counseling alumni is not sufficient to draw meaningful conclusions.
