Indicators

<i>Indicator</i>	<i>Description of indicator and calculation method</i>
Retention Rate	<p>Number of Retained Students/Number of New Students = Retention Rate.</p> <p>Capella's retention rate is the percent of learners who are active or have graduated one year after starting their degree. For example, the retention rates reported here are calculated by comparing the number of learners who started between Q3 2022 and Q2 2023 (denominator) and the number of those learners whose status was 'active' or 'graduated' as of Q3 2023 through Q2 2024 (numerator).</p>
