POLICY STATEMENT
Capella University learners are eligible for degree or certificate conferral upon successful completion of all degree or certificate program requirements as described in Capella’s University Catalog and pursuant to this policy. Successful completion is determined by a degree audit conducted by the Learner Services and Operations department.

RATIONALE
Capella University requires all Capella graduates to have completed the requirements for their conferred degree or certificate. This policy ensures the integrity of degrees and certificates conferred by Capella University.

DEFINITIONS
Academic Program
An academic program is any credentialed academic offering and its components, including but not limited to a degree, specialization, minor, focus, emphasis, concentration, certificate, or delivery model in which a learner is enrolled.

Commencement
Commencement is a voluntary ceremony that recognizes the conferral of a learner’s degree. Participation in a commencement ceremony assumes the learner has completed all degree program requirements or is successfully progressing toward conferral, but it does not assume degree conferral has occurred. Degrees are not issued at commencement events.

Conferral
Conferral is the issuance of a degree or certificate by Capella University.

Conferral Date
Conferral date is the date upon which a learner’s degree or certificate is formally issued by the university and made effective. The conferral date is noted on the learner’s official transcript and diploma.

Credit Residence Requirement
The credit residence requirement is the minimum number of quarter credits earned at Capella University that are applied toward the conferral of a unique Capella degree.

Graduation
Graduation is the successful completion of a learner’s degree or certificate program with the conferral of a degree from Capella University.

**University Catalog**
Capella’s *University Catalog* is the official record of requirements for the university’s academic offerings. Learners are assigned their initial catalog of record upon their admission to Capella University. Learners who begin their academic programs in the winter or spring quarters are assigned to the January catalog and the April addendum, and learners who begin their academic programs in summer or fall quarters are assigned to the July catalog and the October addendum.

**PROCEDURES**

I. Degree and Certificate Conferral Requirements for All Learners

A. Learners must complete all degree or certificate program requirements, including coursework, residencies, practica, internships, and any other components such as cumulative grade point average (GPA) and credit totals as described in their *University Catalog* of record.

1. A single course may satisfy multiple requirements within a degree program, but the credits from that course may only be applied once toward the total credits needed for the degree.
   a. Undergraduate general education requirements may fulfill either core or specialization requirements when the course is applicable to both categories.
   b. A single course may not fulfill both a core and a specialization requirement in any program.

2. Learners should refer to university policies 2.02.07 *Changing Academic Program* and 4.01.04 *University Catalog* for information about catalog and catalog changes.

3. Learners are encouraged to contact Academic Advising should they have questions about their current catalog requirements.

B. Learners must also meet the minimum university credit residence requirements for their degree or certificate level. Any credits above the university minimum may be fulfilled by transfer and/or prior learning assessment (PLA) credit.

B. Learners in all other programs who are requesting consideration for conferral must complete and submit the Graduation Application located on Campus.
C. Upon receipt of the Graduation Application, the Learner Services and Operations department will conduct a degree audit of the learner’s record.
D. Upon completion of the degree audit, the Learner Services and Operations department will notify the learner of the status of his or her graduation application.

F. Degrees and certificates are conferred on the last day of the month in which it is confirmed that the degree or certificate program requirements were met.
G. Learners who have one or more required courses to complete at the time of graduation application and who are not registered for those remaining required courses will be asked to reapply for graduation at a later time.
H. Changes in any form, including grade point average (GPA), quarter credit totals, or specializations, cannot be made to conferred degrees.

III. Commencement for All Learners
A. Approval for Commencement
1. Doctoral and certificate learners must receive official confirmation that their degree was awarded before they can be invited to attend a commencement ceremony.
2. Bachelor’s, master’s, and specialist learners who have applied for graduation, who are registered for but have not yet completed any remaining course requirements, and/or who have any Incomplete (“I”) grades to resolve will be approved to participate in commencement and invited to attend a commencement ceremony.

3. Learners are advised not to purchase travel, hotel accommodations, or regalia until they have received an official invitation to participate in commencement and have sent in their RSVP.

   B. Academic progress will be monitored for approved applicants until they have successfully completed their remaining requirements. These learners do not need to reapply for graduation.

   C. Additional commencement information is located on Campus.

IV. Capella University Diplomas
Capella University diplomas will identify a learner by the individual’s official learner name of record, unless the learner requests otherwise and the request is approved. To request that an alternate name appear on a Capella University diploma, a learner must contact Learner Services and Operations. Such requests shall be approved or denied on a case-by-case basis.

V. Capella University Transcripts
   A. The Capella University transcript is the learner’s official academic record at Capella University.
   B. Capella University will not modify a learner’s certificate- or degree-conferred transcript after a degree or certificate has been conferred. The learner’s record is considered to be sealed from retroactive change upon conferral, except to correct clerical errors.
