

Video Transcript: Capella Alumni Stories

[music]

00:04 Speaker 1: I am absolutely glad to be a part of the Capella community.

00:09 Speaker 2: I use the skills I learned at Capella. I used them daily on the job.

00:13 Speaker 3: I was able to take a lot of things that I learned and put them into practice right away.

00:17 Speaker 4: That skill set that I learned helped me transform into my foundation.

00:21 Speaker 5: It's empowered me to be a better leader.

00:23 Speaker 6: It was Capella that gave me the background I needed.

00:25 Speaker 7: My classmates... I couldn't have asked for better classmates.

00:29 Speaker 8: Now, I am Dr. Bounds, with the acronym, PhD. [laughter]

00:34 Speaker 9: My education just has helped me to have the confidence and know that I can do those things.

00:40 Speaker 10: Everything I've done in my academic career has been based on my performance. Capella University prepared me for that performance.

00:46 Speaker 11: It propels you to a different level.

00:48 Speaker 12: I have a great feeling inside that I can really achieve anything.

00:51 Speaker 13: The MBA from Capella was very powerful in getting my promotion.

00:54 Speaker 14: I've really had the opportunity to do things I never would have dreamed of doing beforehand.

01:00 Speaker 15: To be honest, I don't think they would have even looked at my resume had I not had that bachelor's degree from Capella.

01:05 Speaker 16: I felt like I was a different person.

01:08 Speaker 17: It gave me the opportunity to become Dr. Ambrose.

01:10 Speaker 18: It's changed me.

01:11 S8: Walking through the University doors and being called Dr. Bounds, that felt just huge.
