Vermont	Advanced Practice Registered Nurse (APRN)	Capella's Post-Master's Certificate in Nursing, Adult-Gerontology Primary Care Nurse Practitioner program will meet the educational requirements for professional licensure in Vermont. Vermont accepts completion of a graduate advanced nursing practice program that is approved by a state. Applicants must also hold current advanced nursing certification in a role and population focus granted by a national certifying organization recognized by the Board. Capella's program is approved by the Minnesota Board of Nursing. Capella's program prepares graduates for the American Nurses Credentialing Center (ANCC) and the American Academy of Nursing Practitioners Certification Board (AANPCB) national examinations. Capella graduates will need to achieve certification by an appropriate specialty board prior to applying for the state license. Please be aware that applicants will incur additional fees for required exams (national or state-specific) and state license applications. Applicants may also need to demonstrate ethical state requirements for the nursing profession.
