

Master of Social Work & Master of Social Work, Advanced Standing

Disclaimer: The disclosure below is Capella's determination of whether this program will fulfill the educational requirements for state licensure in those states where the program is offered. State licensing boards review each applicant's completed education, exam scores, supervised experience, criminal history, and application materials at the time of license application to determine eligibility. Capella University cannot guarantee eligibility for licensure, endorsement, other professional credentials, or salary advancement.

Capella's professional licensure disclosures inform about the licensure level a graduate of the program will be eligible for after completion of the MSW program. Aside from the educational component that a degree program may help you fulfill, states typically have additional post-graduate supervised experience and exam requirements you may have to meet to be eligible for a higher level social work license.

Learners interested in social work practice in a school setting are advised to contact their state board and review the requirements for licensure.

Capella University cannot guarantee eligibility for licensure, endorsement, other professional credentials, or salary advancement.

Capella's professional licensure disclosures inform about the licensure level a graduate of the program will be eligible for after completion of the MSW program. Aside from the educational component that a degree program may help you fulfill, states typically have additional post-graduate supervised experience and exam requirements you may have to meet to be eligible for a higher level social work license.

Learners interested in social work practice in a school setting are advised to contact their state board and review the requirements for licensure.
